Taylor & Boody organ, Christ Church, Indianapolis

Since 1988, Pipe Organ Encounters (POEs) have introduced more than 2,000 young people to the organ through instruction in organ playing, repertoire, history, design, and construction. These week-long summer institutes for students aged 13–18 provide private and group instruction, opportunities for ecumenical worship, and a chance for young musicians to meet others with similar interests.

Our Hawai'i Chapter had three students, **Christopher Lindsay**, **Jordan McCreary**, and **Miki Yamamoto**, (all students of Katherine Crosier) attend the POE in Bloomington, Indiana. They will give us their report on the whole experience, including a mini-recital on Saturday night, September 18th at 5:30 pm. We look forward to a very enjoyable evening!

Bring a potluck dish to share and please feel free to bring any young students who may be interested in attending a POE in a future summer. Please email Kathy Crosier at crosier3@hawaii.rr.com or call 221-9608 to let us know if you are coming and what dish you will be bringing (so we don't end up with all-desserts!) Please, let's support these young people with your attendance at this first AGO event of the season. See you on the 18th!

Miki Yamamoto and Jordan McCreary enjoy a visit to the Goulding and Wood pipe organ factory.

Christopher Lindsay with Dr. David Lamb, Bloomington POE director.
