We were delighted to receive your donation of \$3,200 to Kokua Kalihi Valley today. Thank you very much for this generous gift. Being selected as the recipient for your social ministry project during the Advent season is a real honor and we are blessed to have your continuous support.

This gift will inspire and enable us to live up to the high standards we have set for compassionate, effective and neighborly care to our community.

Your support helps us know that we are not alone, and together we can change lives and focus on building community. This past year has been a tremendous year of growth for us: we are serving more families in more ways and with higher quality than at any time in our history. Thank you for helping to make this a reality!

Sincerely,

David Derauf MD MPH
Executive Director
