

Slow and Steady

Find your current monthly or weekly offering. If you can, move up a bite-sized step of 10% to grow in faithful stewardship.

(Note: If you don't find your current offering or income, combine amounts or use the stewardship calculator on the LCH website.)

Present Offering	Suggested Offering
\$1	\$1.10
2	2.20
3	3.30
4	4.40
5	5.50
10	11.00
20	22.00
30	33.00
40	44.00
50	55.00
100	110.00

Step-Up

Find your current monthly or weekly income. then move along the chart until you find an amount higher than your current offering. Take a step up to this amount.

If you have not gotten to 3%, think of this as the place to start your journey of faithful stewardship.
